OBJECTIVE

I seek challenging opportunities where I can fully use my skills for the success of the organization.

EXPERIENCE

03/July/2021 -
11/Dec/2021

- **Automobiles Electrical engineering**
Chinedu Electricals
At Chinedu Electricals, I worked alongside Mr. Chinedu, an automobile technician specializing in repairing motor cars' electrical systems. I collaborated with Mr. Chinedu in diagnosing and repairing electrical issues in motor vehicles. I supported in troubleshooting various electrical components, such as wiring, sensors, and lighting systems. I learned and applied techniques for efficient and accurate electrical system repairs under Mr. Chinedu's guidance. During my time at Chinedu Electricals, I gained valuable experience in automotive electrical repair, contributing to the efficient operation of the workshop under Mr. Chinedu's supervision.

05/Sept/2022 -
08/Jan/2023

- **Metal Weighing**
Metal Recycling Company Ltd
At Metal Recycling Company Ltd. in Uli, Anambra State, i used a scale to measure how heavy metal scraps were. Then, I figured out how much they were worth based on their weight and the current prices. I kept an eye on different machines in the factory. My job was also to make sure they worked well. I also helped make plans to stop them from breaking down in the first place. During my time at Metal Recycling Company Ltd., I made sure we knew how heavy metal scraps were and kept the machines running smoothly.

01/Feb/2023 -
14/Aug/2023

- **Pipe Manufacturing**
B-Fanel
At B-fanel, a prominent manufacturer of plastic pipes for plumbing and conduit wirings, I was an integral part of a dedicated team responsible for ensuring the smooth operation and maintenance of production machinery. I worked collaboratively with team members to monitor the performance of production machinery, promptly identifying and addressing any faults or malfunctions to minimize downtime. I participated in routine inspections and preventive maintenance tasks alongside fellow team members to ensure the optimal functioning of equipment. I contributed to troubleshooting efforts and the implementation of effective solutions in coordination with the maintenance team, resulting in increased productivity and efficiency across the production line. As a member of the machine monitoring and maintenance team at B-fanel, I played a vital role in upholding the operational integrity of our production machinery, enabling the consistent delivery of high-quality products.

16/Sept/2023 -
currently

- **Secondary School Teacher.**
Golden Academy Secondary School Ajaka (NYSC).
I was a Computer, Mathematics and Physics Teacher during my service year as Corp member.

EDUCATION

2001 - 2007

- **Community Primary School Amaokwe.**
General Courses
Good grade.

2007 - 2013

- **Community Secondary School Isseke.**

Science Courses.
Good grade.

2015 - 2020

- **Michael Okpara University Of Agriculture Umudike (MOUUAU)**
Electrical and Electronics Engineering / B.ENG
GPA 3.0

SKILLS

- Electrical Machines monitoring/maintenance
- Electronics Devices maintenance
- House Wiring
- Graphics Design (CorelDraw)
- Web Development and Design
- Javascript Programming language
- Python programming language
- Database Management (MYSQL/MONGODB)
- Microsoft Excel
- Microsoft PowerPoint

PROJECTS

- **Surface House Wiring**
Completed the surface house wiring of a kitchen, including installation and connection of electrical outlets, switches, and lighting fixtures. I ensured compliance with safety regulations and industry standards throughout the wiring process. I demonstrated proficiency in planning, executing, and testing electrical wiring systems in residential settings.
- **E-commerce Website**
Successfully developed and launched an e-commerce platform accessible at [<https://shopzilla24.vercel.app>]. Took a hands-on approach in building a user-friendly interface and implementing essential features like product browsing, shopping cart management, and secure checkout functionality. Leveraged frontend and backend technologies to ensure smooth operation and optimal performance.

ACHIEVEMENTS & AWARDS

- Awarded the certificate on Computer Operation. Completed a comprehensive course on computer operation, covering Microsoft Word, Excel, Power Point and CorelDRAW, at Catel Computer Institution in 2013, showcasing proficiency in essential software applications for modern computing tasks. Certificate Picture: [https://iroka09.github.io/my_credentials/cartel_ict_cert.jpg]
- Awarded the Certificate of Student Membership by the Nigeria Society of Engineers (NSE) in 2021, recognizing dedication to the field of engineering and commitment to professional development. Certificate Picture: [https://iroka09.github.io/my_credentials/nse_student_member_cert.jpg]
- Earned the ICT Certificate of Proficiency from Michael Okpara University of Agriculture in 2021, demonstrating competence in various aspects of information and communication technology. Certificate Picture: [https://iroka09.github.io/my_credentials/ict_competent_cert.jpg]
